1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Vincent T. Kung on 20 June 2005. The examiner notes that the amendment is being made within three months of the 19 April 2005 mailing date of the final office action and that therefore no extension of time is required.

The application has been amended as follows:

In the amendment filed 16 June 2005, before claim 22 the phrase --1-21. (Canceled)-- has been inserted.

Claim 36 has been canceled without prejudice.

The change to the amendment brings it into compliance with proper claim identification practice.

Claim 36 has been canceled in order to allow passage of allowed claims 22-35 to issue.

2. The following is an examiner's statement of reasons for allowance: see section 4 of the detailed portion of the office

action mailed 19 April 2005. The examiner notes that the section refers to claims 1-35 in error instead of only claims 22-35 as intended. Claims 1-21 were canceled in the amendment filed 11 February 2005.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
